Terms of sale.

2. The successful bidder will at once deposit Rs. 100 or one-quarter of the sale amount whichever is less, for each coupe as security for the due fulfilment of the contract.

3. Bidders are allowed to bid for the timber of the whole coupe or for a specified number of trees of each kind but applications for less than 10 trees (ten) will not be entertained.

The rates offered must be based on the outturn of timber in cubic feet after squaring or dressing and shall vary according to the cubic contents or girth of the logs or pieces.

4. The final sanction of the sale will rest with the Conservator of Forests who does not bind himself to assign any reason whatever for the rejection of any sale.

5. The successful bidder will, within a week of the receipt of the intimation of the sanction of sale, execute an agreement accepting the terms specified below; in default, the sale will be cancelled and the deposit forfeited to Government:—

(*a*) That he binds himself to fell and remove the timber he has purchased in not less than the following proportions:—

High Forests ...	One-half by the 15th of February 1917. Balance 15th May 1917.
Coppice Forests ...	One-half by the 15th January 1917. Balance end of February 1917.

(*b*) That trees shall be felled in consecutive order as they are marked. Picking and choosing will not be allowed.

(*c*) That he shall fell the trees he has purchased and dress the logs on the spot. He will not be bound, however, to remove such logs as the District Forest Officer, may declare to be unsound and unfit for sale without recourse to sawing.

(*d*) That only saws will be used for cutting logs into the required lengths, and that, while the purchaser is permitted to remove whitewood, knots and flutes, he shall cause no unnecessary waste in dressing the logs.

(*e*) That he binds himself to pay for and remove all marketable portions of a tree either in logs, pieces or poles.

(*f*) That the timber prepared out of each tree shall be measured and stamped by the Range Officer or such other officer as the District Forest Officer may authorise to stamp.

(*g*) That he shall pay for all the timber measured as per clause (*f*) before removal from the forest or the depot fixed by the District Forest Officer.

(*h*) That all removal shall be effected under the passports issued by the Forest Officer in charge of the Forest or depot and on presentation of the Treasury receipt for the value of the timber he intends to remove.

(*i*) That if any tree other than the one bearing the departmental stamp impression is felled, he will pay a fine not exceeding Rs. 15 for each tree, besides the value of the timber.

(*j*) That the timber paid for but not removed within three months of the termination of the contract, shall lapse to Government.

(*k*) That such timber as may not be paid for before the 15th June 1917 shall lapse to Government.

(*l*) That he agrees to abide by the rules of the department as regards kindling of fires and holds himself responsible for any forest offences committed by his agents, employees and workmen.

(*m*) That he agrees to the cancellation of the contract and the forfeiture of his deposit for breach of any of the terms of his contract.

(*n*) That he agrees to maintain a register in the form prescribed by the District Forest Officer, showing the serial number and kind of trees felled and the outturn of timber for each tree which will be open to the examination of all the Forest Officers.

(*o*) That he agrees to coppice all teak trees other than those marked as standards.
